**Innerspace Cheshire is a close team of passionate advisors, makers and installers. Our mission is to supply interior spaces with captivating finishing touches that leave you smiling and feeling a sense of joy!**

Our core values are...\_\_\_\_\_ being **kind** to the planet, people and animals.

## Planet.

We are committed to.....

- Supporting the rewilding of the Scottish Highlands  
[www.treesforlife.org.uk](http://www.treesforlife.org.uk)
- Using solar power for the energy needs of our warehouse
- Making products that are low maintenance and  
easy to recycle at the end of life
- Avoiding the use of non-recycled plastics
- Making our products locally and by hand
- Avoiding harsh chemicals
- Using natural and biophilic materials in our products
- Increasing our usage of recycled materials
- Expanding our use of electric vehicles
- Minimising travel miles across our business

## People.

We are committed to... \_\_\_\_\_

- Producing products that improve general well-being
- Weekly and monthly internal workplace well-being events
- Having working hours that provide a better work / life balance
- Inviting local schools to creative workshops
- Hosting craftwork events with charitable organisations
- Inspiring local SEND students by organising craft events where they can engage with our eco-friendly materials
